MYSTIK® JT-4® ALL-IN-ONE OUTBOARD ENGINE OIL

Date 07/15

DESCRIPTION:

Mystik JT-4 ALL-IN-ONE Outboard Engine Oil is a unique ultra-premium, licensed NMMA TC-W3® 2-cycle oil with a fuel stabilizer, ethanol treatment and engine cleaner that guarantees to protect marine engines through their OEM warranty period and beyond.

FEATURES:

- Contains fuel stabilizer
- Contains ethanol fuel treatment
- Contains powerful detergents to remove existing carbon deposits from engine parts.
- Ashless chemistry

APPLICATIONS:

Mystik JT-4 ALL-IN-ONE Outboard Engine Oil can be used in multiple 2-cycle engines requiring TC-W3 and API TC engine oils including:

- Marine – outboard engines, personal watercraft (PWC)
- Recreation equipment – ATVs, snowmobiles, motorcycles, dirt bikes
- Other power equipment: chain saws, chippers/shredders, log splitters, snow blowers, generators
- Lawn and garden: push mowers, lawn tractors, leaf blowers/vacuums, edgers, trimmers, tillers

This superior product helps prevent the adverse effects that ethanol fuel can have on marine engines. It cleans up deposits left from other 2-cycle products and can be used with new engines to ensure trouble free operation, to maintain engines at the start or end of a season and to help bring old engines back to life. Mystik JT-4 ALL-IN-ONE Outboard Engine Oil provides outstanding protection for gasoline fueled 2-cycle engines when used at the primary dilution recommended by the original equipment manufacturer.

TYPICAL PROPERTIES:

MYSTIK® JT-4® ALL-IN-ONE OUTBOARD ENGINE OIL

Material Code	**663099002**
Gravity, ASTM D 287, °API	26.2
Density lbs/gal at 60°F	7.47
Flash Point, PMCC, ASTM D 93, °F (°C)	176 (80)[1]
Pour Point, ASTM D 97, °F (°C)	–60 (–51)
Viscosity, ASTM D 445, cSt at 40°C	62
cSt at 100°C	9.8
ASTM D 2161, SUS at 100°F	317
SUS at 210°F	59.5
Viscosity Index, ASTM D 2270	143
Sulfated Ash, ASTM D 874, m%	0.001
Color	Purple
