

MYSTIK® BAR AND CHAIN
LUBRICANT

Date 01/10

DESCRIPTION:

Mystik Bar and Chain Lubricant is a great choice for loggers as well as home and ranch users. It utilizes special components to reduce wear, guard against rust and enhance metal adhesion to reduce spatter.

Designed for use over a wide temperature range. For use in all brands of chain saws.

FEATURES:

- Lubricates and Cools Chain
- Polymer Controls Spatter
- Guards Against Rust
- Provides Wear Protection

NOTE: NOT FOR USE IN ENGINES! For your chain saw 2-cycle engine, use Mystik JT-4® 2-Cycle Lawn and Garden Engine Oil, Material Code 663091002.

TYPICAL PROPERTIES:

MYSTIK® BAR AND CHAIN LUBRICANT

Material Code	663605002
SAE Grade	30
ISO Viscosity Grade	100
Gravity, ASTM D 287, °API	30
Pounds/Gallon at 60°F	7.3
Flash Point, ASTM D 92, COC, °F (°C)	340 (171)
Pour Point, ASTM D 97, °F (°C)	-23 (-10)
Viscosities:	
cSt at 40°C	82
cSt at 100°C,	10
Appearance, Color	Blue/Green
